ECHAKAR AYMAN

FRONTEND DEVELOPER

Passionate and detail-oriented Frontend Developer with two years of experience developing and optimizing web applications. Specialized in JavaScript/TypeScript with a heavy emphasis on current frameworks and libraries, particularly ReactJs and NextJS. Capable of building responsive, user-friendly interfaces and collaborating with cross-functional teams to produce high-quality products. Continuously learning and staying updated with the latest industry trends to implement best practices in web development.
